from modest beginnings as a teenager, struggling with dyslexia and leaving school with no qualifications, to becoming an international brand name and one of the world's most successful entrepreneurs. Jo's lively story explores how her fascination with smell teamed with her natural ability to create world-famous blends such as 'Lime, Basil & Mandarin', revolutionised the way we think about fragrance. Her unique talent for pioneering innovation and originality within her field is unrivalled. Yet, despite her success, she has faced huge challenges with courage and determination, including being diagnosed with breast cancer at the age of 37 and told she only had nine months to live, and her decision to go it alone after selling the original Jo Malone brand to the Estee Lauder Corporation and walking away in 2006. Jo's commitment and down-to-earth approach to life, work and family makes her one of the most likeable and well respected personalities in British retail and her honesty, hard work and entrepreneurial grit is an inspiration to all.

A candid business narrative and memoir by the founder of the billion-dollar Jimmy Choo fashion brand shares previously undisclosed details about her high-profile marriage and divorce, the ongoing battles between her business's corporate and creative interests and her triumph against a brutal hostile takeover attempt.

The perfect blend of business and drama, *My Fight to the Top* is a unique, heart-rending autobiography that has mass appeal - whether the reader wants to learn how to get ahead in business, or simply learn how to keep it together through life's challenges. From the rough East End of Glasgow, Michelle Mone overcame the physical violence of school bullies, the emotional trauma of financial difficulties at home and the tragic paralysis of her father, to become one of the UK's most respected entrepreneurial women. From the simple experience of wearing an uncomfortable bra Michelle created the Ultimo brand, now worth £50m. However, the road has been far from smooth and the pressure of trying to build a business and be a good mother brought her marriage - and her health - to the edge. But with steely determination she fought back, striving to make Ultimo a genuine success story.

THE INTERNATIONAL BESTSELLER "Malby-Anthony offers a book of great inspiration and wide appeal to nature-loving readers." —Publishers Weekly A heart-warming sequel to the international bestseller *The Elephant Whisperer*, by Lawrence Anthony's wife Françoise Malby-Anthony. A chic Parisienne, Françoise never expected to find herself living on a South African game reserve. But then she fell in love with conservationist Lawrence Anthony and everything changed. After Lawrence's death, Françoise faced the daunting responsibility of running Thula Thula without him. Poachers attacked their rhinos, their security team wouldn't take orders from a woman and the authorities were threatening to cull their beloved elephant family. On top of that, the herd's feisty new matriarch Frankie didn't like her. In this heart-warming and moving book, Françoise describes how she fought to protect the herd and to make her dream of building a wildlife rescue center a reality. She found herself caring for a lost baby elephant who turned up at her house, and offering refuge to traumatized orphaned rhinos, and a hippo called Charlie who was scared of water. As she learned to trust herself, she discovered she'd had Frankie wrong all along. Filled with extraordinary animals and the humans who dedicate their lives to saving them, *An Elephant in My Kitchen* is a

A Sunday Times Number One Bestseller Miranda Hart will carry you along with the sheer force of her charm, bumbling cheer and charisma. - Sunday Express Well hello to you dear browser. Now I have your attention it would be rude if I didn't tell you a little about my literary feast. So, here is the thing: is it just me or does anyone else find that adulthood offers no refuge from the unexpected horrors, peculiar lack of physical coordination and sometimes unexplained nudity, that accompanied childhood and adolescence? Does everybody struggle with the hazards that accompany, say, sitting elegantly on a bar stool; using chopsticks; pretending to understand the bank crisis; pedicures - surely it's plain wrong for a stranger to fondle your feet? Or is it just me? I am proud to say I have a wealth of awkward experiences - from school days to life as an office temp - and here I offer my 18-year-old self (and I hope you too dear reader) some much needed caution and guidance on how to navigate life's rocky path. Because frankly where is the manual? The much needed manual to life. Well, fret not, for this is my attempt at one and let's call it, because it's fun, a Miran-ual. I thank you.

I am the thing that goes bump in the night. I am a liar, a protector...I am Noah Blake. There is only one light in my darkness, one bright ray in the storm of my life. Lucia DeMarco. And I'll do anything for her. Anything except show her who I really am... It would be easier if she didn't call me names. Asshole, control freak ... shameless. It would also be easier if she didn't look at me with those trusting gray eyes. If I didn't dream about the perfect curve of her — never mind all that. The point is she's digging into my world, my secrets, and it's going to get her killed. But first, we have another more immediate concern. Lucia is going on a date— With someone else. Noah's Cliffhanger Warning: Ladies, I know you want to see the full package. But I have to tease you first. So I'm just going to open a few buttons so you can take a peek. And while you're at it, hold onto your panties because I like it dirty. The Shameless Trilogy (Noah + Lucia) Shameless Shameful Unashamed The Force Duet (Jonas + JJ) Force Enforce

The Perfume Lover is a candid personal account of the process of composing a fragrance, filled with sensual scent descriptions, sexy tidbits, and historical vignettes. What if the most beautiful night in your life inspired a perfume? When Denyse Beaulieu was growing up near Montreal, perfume was forbidden in her house, spurring a childhood curiosity that became an intellectual and sensual passion. It is this passion she pursued all the way to Paris, where she now lives, and which led her to become a respected fragrance writer. But little did she know that it would also lead her to achieve a perfume lover's wildest dream: When Denyse tells famous perfumer Bertrand Duchaufour at L'Artisan Parfumeur of a sensual night spent in Seville under a blossoming orange tree, wrapped in the arms of a beautiful man, the story stirs his imagination and together they create a scent that captures the essence of that night. As their unique creative collaboration unfolds, the perfume-in-progress conjures intimate memories, leading Beaulieu to make sense of her life through scents. Throughout the book, she weaves the evocative history of perfumery into her personal journey, in an intensely passionate voice: the masters and the masterpieces, the myths and the myth-busting, down to the molecular mysteries that weld our flesh to flowers. Now, just to set your nostrils aquiver: Séville à l'aube is an orange blossom oriental with zesty, green and balsamic effects, with notes of petitgrain, petitgrain citronnier, orange blossom, beeswax, incense, and lavender, and is now available at fragrance outlets in the U.S.
