The Second Edition of the award-winning Pharmacy Management, Leadership, Marketing, and Finance has been updated to make this quality textbook an even more integral resource for your Pharmacy Management course. All previous chapters have been updated and multiple new chapters have been added including "Quality Improvement," "The Basics of Managing Risk," "Insurance Fundamentals," "Integrating Pharmacoeconomic Principles and Pharmacy Management," and "Developing and Evaluating Clinical Pharmacy Services." Chapters continue to be written in a concise and reader-friendly style, facilitating a deeper level of understanding of essential leadership and management concepts. The updated content has been designed with the next generation of pharmacists in mind and to prepare them using an integration of knowledge, skills, attitudes, and values. This includes new in-text features, such as the Management Challenge found at the end of each chapter, and online self-assessment questions and answers. With an easy-to-read and colorful new layout, engaging pedagogical features, and online tools and resources for both students and instructors, this new edition has everything needed to provide a complete and enriched learning experience. Instructor Resources Lesson Plans PowerPoint Presentations Sample Syllabus Answers to End of Chapter Questions Case Studies Test Bank Student Companion Website includes: Self-Assessment Questions Interactive Glossary Crossword Puzzles Flashcards Web Links to additional learning materials

Essentials of Marketing Research: Putting Research into Practice, an exciting new practical guide by Kenneth E. Clow and Karen E. James offers a hands-on, applied approach to developing the fundamental data analysis skills necessary for making better management decisions using marketing research results. Each chapter opens by describing an actual research study related to the chapter content, with rich examples of contemporary research practices skillfully drawn from interviews with marketing research professionals and published practitioner studies. Clow and James explore the latest research techniques, including social media and other online methodologies, and they examine current statistical methods of analyzing data. With emphasis on how to interpret marketing research results and how to use those findings to make effective management decisions, the authors offer a unique learning-by-doing approach to understanding data analysis, interpreting data, and applying results to decision-making.

Marketing a small, independently owned lodging business can be difficult. Marketing Essentials for Independent Lodgings outlines how to get a business's name out there, attract consumers, and navigate the dicey world of social media and an online presence. Descriptions of traveler demographics, how to get the word out about a property, and how to make a property unique are all talked about at length. The goal of this book is to help small lodgings flourish, and it does so by including lists of actions that can be taken this week, this month, or this year to help positively impact the bottom line. Also included is a specific marketing outline that can be adapted to an individual business, giving business owners a timeline and plan they can follow.

Do your students need a fresh and concise introduction to marketing? Essentials of Marketing has arrived! This is the must have textbook for students looking to shine and excel in their marketing studies and future careers. Packed full of exciting and meaningful cases from organizations such as IKEA, FourSquare, Groupon and WOMAD, students are encouraged to think critically and consider how they would tackle the real marketing challenges and issues encountered by professionals on a daily basis. Covering the latest trends and developments in marketing, including social media and mobile marketing, students are given the opportunity to go beyond classical marketing theories and explore the latest cutting edge perspectives. Lecturers and students are provided with truly innovative online resources which are carefully integrated with the textbook.

Health Sciences & Professions

The branding bible for today's globalized world Today, brands have become even more important than the products they represent: their stories travel with lightning speed through social media and the Internet and across countries and diverse cultures. A brand must be elastic enough to allow for reasonable category and product-line extensions, flexible enough to change with dynamic market conditions, consistent enough so that consumers who travel physically or virtually won't be confused, and focused enough to provide clear differentiation from the competition. Strong brands are more than globally recognizable; they are critical assets that can make a significant contribution to your company's bottom line. In Global Brand Power, Kahn brings brand management into the 21st century, addressing how branding contributes to the purchase process and how to position a strong global brand, from identifying the appropriate competitive set, offering a sustainable differential advantage, and targeting the right strategic segment. This essential guide also covers how customer ownership of your brand affects marketing strategy, methods for assessing brand value, how to manage a brand for long-term profitability, effective brand communications and repositioning strategies, and how to manage a brand in a world of total transparency. Where one slip-up can go around the world via social media instantaneously. Filled with stories about how Coca-Cola, The Estée Lauder Companies Inc., Marriott, Apple, Starbucks, Campbell Soup Company, Southwest Airlines, and celebrities like Lady Gaga are leveraging their brands, Global Brand Power is the only book you will need to implement an effective brand strategy for your firm.

Presents essential information on marketing strategies, practical tactics, and career-enhancing techniques.
