As an unauthorized third child with parents who were more interested in their various criminal enterprises than they were in her, Michelle Carter is used to feeling unloved, but it still hurts when she is brought to another world as a bride for two men who turn out not to even want one. After Roan and Dane lost the woman they loved, they swore there would never be anyone else, and when their closest friend purchases a beautiful human he hopes will become their wife, they reject the match. Though they are cursed to live as outcasts who shift into terrible beasts, they are not heartless, so they offer Michelle a place in their home alongside the other servants. She will have food, shelter, and all she needs, but discipline will be strict and their word will be law. Michelle soon puts Roan and Dane to the test, and when she disobeys them her bottom is bared for a deeply humiliating public spanking. Despite her situation, the punishment leaves her shamefully aroused and longing for her new masters to make her theirs, and as the days pass they find that she has claimed a place in their hearts as well. But when the same enemy who took their first love threatens to tear Roan and Dane away from her, will Michele risk her life to intervene? As an unauthorized third child, nineteen-year-old Aimee Harrington has spent her life avoiding discovery by government authorities, but her world comes crashing down around her after she is caught stealing a vehicle in an act of petulant rebellion. Within hours of her arrest, she is escorted onto a ship bound for a detention center in the far reaches of the solar system. This facility is no ordinary prison, however. It is a training center for future brides, and once Aimee has been properly prepared, she will be intimately, shamefully examined and then sold to an alien male in need of a mate. Worse still, Aimee's defiant attitude quickly earns her the wrath of the strict warden, and to make an example of her, Aimee is offered as a wife not to a sophisticated gentleman but to three huge, fiercely dominant warriors of the planet Ollorin. Though Ollorin males are considered savages on Earth, Aimee soon realizes that while her new mates will demand her obedience and will not hesitate to spank her soundly if her behavior warrants it, they will also cherish and protect her in a way she has never experienced before. But when the time comes for her men to master her completely, will she find herself begging for more as her beautiful body is claimed hard and thoroughly by all three of them at once? Publisher's Note: Wedded to the Warriors includes spankings and sexual scenes. If such material offends you, please don't buy this book. A challenge between rivals will either lead to suffering...or love. Chieftain Rygar Idras must lead his warriors on a dangerous raid into Astor to rescue his men from captivity. But an ambush brings him face-to-face with Vash Terric, a powerful and ruthless king, and the raid ends with Rygar in chains. He's imprisoned within a castle in Astor, but his spirit remains unbroken, and he's determined to escape and save his men. But Vash gives him an ultimatum. The king will free one of his men every time Rygar comes to his bed of his own free will. If he refuses, he will remain in chains, a captive to the king, and his fellow raiders will languish in the dungeon. Rygar is prepared to do anything to free his men, whether that is killing the king...or sleeping with him. But denying his attraction to the commanding Vash is far more difficult than he imagined. When the king honors his promise, Rygar discovers that protecting his heart from his rival may be the greatest challenge he's ever faced... King Vash loves nothing more than the stability and prosperity brought by law and order. Astor is a beacon of order in the world—a light threatened by barbarian raiders like Rygar. But Vash can't escape his raw desire for his captive. He's drawn to the man's strength and defiance. The longer he keeps his enemy captive at his side, the more fascinated he becomes with Rygar and his strange ways. Perhaps Rygar isn't the savage Vash thought he was. Vash is willing to conquer all his enemies to protect his people and impose order on the chaos...but his growing feelings for Rygar threaten to bring everything he has achieved crashing down around him. A steamy, BDSM twist on the classic fairy tale, Beauty and the Beast. Sold to the Beast, Belle finds herself captive in a mysterious castle plagued by magic and a strange curse. The Beast's bane has forced him to live a life of despair in the shadows, but he's discovered a way to find pleasure in pain and he's eager to teach Belle. Curious, she agrees to enter a hidden dungeon full of enchantments and wonders far more dangerous than magic. Excerpt: Inside was a chamber lit by a ghostly red light. I stepped inside and felt warm all over. The chains on my cuffs glowed gold and silver. I turned back to the Beast. He leaned against the wall watching me with the intense look of an animal stalking prey. My pulse quickened. I'd never had a man consider me so closely. Did he approve of what he saw? His eyes were feral and hungry. As he stepped into the red light, they appeared to be illuminated from within. Bits of gold flecks glowed within the deep green pools of his eyes. They were entrancing. Had the magic taken ahold of me or was it simply the Beast's presence? I blushed and turned away. It was then I noticed the wall. Several hooks hung from its brick face, twinkling silver in the chamber. On each was placed a whip or other manner of deadly looking tools I did not recognize. "Pleasure from pain," the Beast said. His voice was low, flowing like a soft liquid. For a moment, I thought I'd heard him speak inside my own head. I turned to face him. "It's like extracting blood from a stone," he continued. "How does one take blood from a stone?" I asked. He stepped close and lifted my hands. "Very carefully."

Theirs to Tame. Theirs to Train. When the scheming of her father's political enemies makes it impossible to continue hiding the fact that she is an unauthorized third child, twenty-year-old Isabella Bedard is sent to a detainment facility in deep space where she will be prepared for her new life as an alien's bride. Her situation is made far worse after some ill-advised mischief forces the strict warden to ensure that she is sold as quickly as possible, and before she knows it, Isabella is standing naked before two huge, roughly handsome alien men, helpless and utterly on display for their inspection. More disturbing still, the men make it clear that they are buying her not as a bride, but as a pet. Zack and Noah have made a career of taming even the most headstrong of females, and they waste no time in teaching their new pet that her absolute obedience will be expected and even the slightest defiance will earn her a painful, embarrassing bare-bottom spanking, along with far more humiliating punishments if her behavior makes it necessary. Over the coming weeks, Isabella is trained as a pony and as a kitten, and she learns what it means to fully surrender her body to the bold dominance of two men who will not hesitate to claim her in any way they please. But though she cannot deny her helpless arousal at being so thoroughly mastered, can she truly allow herself to fall in love with men who keep her as a pet? Publisher's Note: Taming Their Pet is a stand-alone novel which is the third book in the Captive Brides series. It includes spankings and sexual scenes. If such material offends you, please don't buy this book.

My college roommate is the worst. Cecile steals my food, brings guys over at all hours, and parties instead of studying. But those quirks pale in comparison to what she does next. She drugs me, and I wake up imprisoned in an alternate universe full of terrifying creatures. Now, the biggest and scariest creature of all—a fae king—believes I'm his mate. He's freed me from the dungeon but keeps me close. So close, in fact, that I'm beginning to like his wintery gaze and ice-chiseled body. But secrets and villains lurk throughout this new world, and I don't know if I'll survive long enough to figure out how to get back home. Lily's Note: This beautiful hardback edition includes the first four books in the Fae's Captive Series: Fae's Captive, Road to Winter, Bite of Winter, and Beyond the Mountain, which completes Taylor and Leander's story.
