Titanicus is a standalone novel by Dan Abnett, set in the Warhammer 40,000 universe. When the vital forge world of Orestes comes under attack by a legion of Chaos Titans, the planet is forced to appeal for help. Titan Legio Invicta, although fresh from combat and in desperate need of refit and repair, responds, committing its own force of war engines to the battle.

Titanicus is a great book, one of my favorite from Dan Abnett. It has great characters, some thrilling twists, and exciting titan-on-titan combat. The princepses and moderatii are nicely written, but Abnett made some of the best "regular human" imperial personnel in the whole 40k universe in Titanicus.
